We envision a world where every child thrives in a safe, stable and loving home.

CASA of Central Texas was formed in 1985 by concerned community members who recognized that children in foster care would fare better and receive more help if they had an independent, consistent adult advocating for their needs. In FY19-20, 267 trained CASA volunteers advocated for 600 Central Texas children. But, another 512 children were without a CASA. With your help, we can serve more. This is CASA's largest annual fundraising event and includes dinner, live and silent auctions, games, live music and entertainment as guests celebrate the accomplishments made in the fight against child abuse.

Get in early on the great sponsorship benefits and recognition! Invitations to follow.
